

OPEN CALL

Open Call for Project Managers/Experts

Changemakers' Room 2017

Changemakers' Room 2017 is a 5 day long international Training Forum, gathering some of the aspiring leaders to advocate for their community issues, connect with like-minded individuals to form working groups, develop international mobility projects contributing in solving the issues, create individual plans of action agenda and gain international and local perspective of the Indian-European Social Change Ecosystem.

Programme

Changemakers' Room is one of the core initiatives nurturing the Indian - European social change ecosystem fostering collaborative community development, exchange of best practices and international project development.

Call for Project Managers/Experts

Changemakers' Room 2017 will gather a group of 50 aspiring changemakers from across the world. During the Forum, changemakers will be working on developing international mobility projects innovating sustainable solutions to the problems faced by their local communities. Changemakers' Room calls out to organizations working in the fields of project management, youth work and entrepreneurship to join the Indian-European Social Change Ecosystem as project mentors/experts.

Make Room India

An Indian-European ecosystem where - Young Leaders build innovative solutions; Change-makers accelerate their goals by open dialogue and exchange of good practices; Sustainable Solutions are Advocated for social change.
